105	1	Asian Decorative Fan Set	This set includes three decorative Asian fans designed for wall display. Each fan features a distinct design, with two showcasing vibrant red backgrounds adorned with floral and bird motifs, and the third presenting a lighter, more ethereal scene of cranes amidst bamboo. The frames appear to be constructed from wood, with the fan surfaces displaying hand-painted or possibly embroidered details. These items likely originate from the mid-20th century and exhibit craftsmanship characteristic of Asian decorative arts. They would be suitable for collectors interested in Asian-themed decor or for adding an exotic touch to interior spaces.
106	1	Beige Woven Floor Lamp	This is a floor lamp featuring a tall, rectangular woven shade within a bamboo frame. The lamp emits a warm glow when lit, casting light through the woven material. The lamp is paired with a round, carved wood accent table with a woven base, a tall woven vase, and a decorative turtle figurine.
107	1	Collection of Buddha Statues	Collection of Buddha Statues - - This grouping features three Buddha statues, each depicting the figure in a meditative pose. The statues vary in size, material, and design, offering a diverse representation of Buddhist art. - - Large Bronze-Colored Buddha: A sizable statue showing the Buddha seated in meditation, adorned with a necklace. The statue exhibits a bronze-like finish, suggesting a metal or metal-coated composition. It has signs of wear and patina, potentially indicating some age. - - Smaller Gold-Colored Buddha: A smaller, seated Buddha statue with a smooth, gold-colored finish. The features are simply rendered, indicative of a modern manufacture. - - Smaller Dark Gray Buddha: This statue has more ornate details. It appears to be made of composite material. The statue is adorned with what appear to be imitation gemstones. The dark gray color provides a contrast to the other statues.
108	1	Floral Garden Stool Rattan Vase Set	This listing features a hand-painted Asian ceramic garden stool, alongside a decorative rattan floor vase. - - Ceramic Garden Stool - - Type: Hand-painted ceramic garden stool. - - Design: Features an intricate scene depicting Asian women in traditional dress, set against a background of floral motifs. The top and base are adorned with decorative studs. - - Material: Ceramic with a glossy finish. - - Condition: Appears to be in used condition, with some wear expected for its age and use. Patina is visible. - - Dimensions: Approximately 13" wide and 18" tall. - - Rattan Floor Vase - - Type: Decorative floor vase. - - Material: Rattan with a dark brown finish. - - Design: Constructed with evenly spaced vertical struts that flare outward from the base and converge towards the top. There is a glass candle holder in the center. - - Condition: Good. - - Dimensions: Approximately 10" wide and 32" tall.
109	1	Black Fireplace Screen	This is a two-panel fireplace screen with an arched top, constructed with a black metal frame and a fine mesh interior. It has a grid-like design and is joined by hinges. The screen serves as a functional piece of home decor to protect from sparks while adding a decorative touch to a fireplace setting. The height is approximately 30", and each panel is about 20" wide.
110	1	Home Decor Mixed Lot	Home Decor Mixed Lot – Includes metal plant stands, ceramic and clay pots, and wooden stands. All items sold as one lot. Used condition with visible wear noted where applicable. See photos for full contents. -

111	1	Red East Asian Collectibles	This collection presents a variety of decorative and collectible items: - - A small, red paisley patterned box. Inside, a decorative ladybug figurine rests on a white satin-like cushion. The figurine itself is enamel, with black and red coloration and gold-tone accents. The box includes a card with a "Good Luck" message, suggesting its purpose as a trinket box or good luck charm. - - A transparent plaque bearing black calligraphy. The text is Chinese and seems to have artistic or calligraphic value. - - A small translucent tile depicting a figure in traditional East Asian dress in a garden setting. - - A red plastic wall decoration in the shape of a Chinese character, adorned with floral designs in gold and red. The character likely represents "good fortune" or "happiness", commonly used in Chinese celebrations and decorations. - - Two small gold-colored metal objects that seem to be decorative or ornamental, their specific purpose is not clear. - - The items appear to be of
112	1	Home Decor Elephant Figurines	This lot features three elephant figurines, each with distinct characteristics: - - Green Elephant Figurine: A large, green-hued statue depicting an elephant standing atop a textured base. Its trunk is raised, and the piece appears to be made from ares in or composite material. - - Gold Elephant Figurine: A smaller, ornate gold-colored elephant. This figurine is adorned with decorative elements and appears to be embellished with faux jewels or intricate metalwork. - - Gray Elephant Figurine: A small, gray-colored elephant figurine.
113	1	Oriental Decor Gold Wall Decorations	Oriental-themed wall decorations, featuring Chinese characters, adding a touch of cultural artistry to your living space.
